## St Ambrose

Patron Saint & bishop of MILAN, one of the most renowned of the Ancient fathers of the church. Born in Gaul. Received law education in Rome. c 370 he was appointed a consular magistrate, with his court in Milan. In 374 he was elected to the vacant see of Milan and took a resolute position against ARIANISM (denied divinity of Christ)

He successfully resisted the attempt by Empress Justina to introduce Arianism into Milan (384)

390- He severely rebuked the Eastern Emperor Theodosius for permitting the massacre of 7,000 Thessalonians and brought him to public penance.

Augustine was received into the church by St. Ambrose. As a theologian he was both a scholar and philosopher. His knowledge of Greek brought East & West closer together. His legacy is his hymns and the improvements he made in the service.
